

ESTABLISHMENT OF ALTERNATIVE EDUCATION PROGRAMS

The superintendent will develop alternative education program options in compliance with Oregon Administrative Rules and Oregon Revised Statutes:

1. For students who are unable to succeed in the regular programs because of erratic attendance or behavioral problems;
2. For students who have not met or who have exceeded all of Oregon's academic content standards;
3. When necessary to meet a student's educational needs and interests;
4. When a public or private alternative program is not readily available or accessible.

Alternative programs implemented by the district are to maintain learning situations that are flexible with regard to environment, time, structure and pedagogy.

Examples of district programs may include but are not limited to:

1. Tutorial instruction through Mid-Columbia Council of Governments;
2. Small group instruction;
3. Large group instruction;
4. Personal growth and development instruction;
5. Counseling and guidance;
6. Computer-assisted instruction;
7. Academic professional technical programs;
8. Cooperative work experience and/or supervised work experience through Mid-Columbia Council of Governments;
9. Instructional activities provided by institutions accredited by the Northwest Association of Schools and Colleges;
10. Supervised community service activities performed as part of the instructional program;
11. Supervised independent study in accordance with a student's educational goals;
12. Supervised Individual Study Plans.

The superintendent and designated staff will develop program plans for establishing student's alternative programs according to need.
