

MITCHELL SCHOOL DISTRICT

POLICY

Special Education - Private Schools

The district shall ensure that a student with a disability who is placed in or referred to a private school or facility by the district is provided special education and related services at no cost to the parents, is provided an education that meets the standards that apply to education provided by the district and has all of the rights of a student with a disability who is served by the district.

If a student with a disability has a free appropriate public education available to him/her and the parents choose to place the student in a private school, the district is not required to pay the cost of the student's education, including special education and related services, at the private school.

Parentally-placed private school students will be included in the district's special education private school student count, as well as the private school students for whom the district may provide services.
