Our on-campus boarding residence for high school students brings a unique flavor to the school.

With international exchange students from several countries plus a mix of students from across the U.S., the boarding students bring their worldly perspectives to our small town in Central Oregon.

Mitchell School District Mission Statement

Empower students as effective problem solvers, lifelong learners and productive members in a global society.

Study Opportunities

Although we are a small school we strive to offer our students a variety of subjects in the classroom as well as online. We also offer the opportunity for our pupils to earn college credits.

Boarding Residence

Mitchell High School offers a unique residential living program for students in grades 9-12. The comfortable, cozy, boarding residence is located adjacent to the school. It accommodates twenty students and features:

- Full supervision by resident houseparent
- Separate wings for boys and girls
- Five dorm rooms with bunk beds
- Full kitchen with home-cooked meals
- High-speed internet access
- Central living area with satellite tv
- Private telephone room
- Laundry facilities
- Weekend outings for shopping and recreation

Sports Opportunities

Mitchell High School offers volleyball, football, basketball & track. We invite all our students to participate in our sports programs. Our teams are all inclusive.

After School Programs

Mitchell High School currently offers science club, drama club and Thursday game night (board games & cards). We always welcome suggestions for other programs that students may enjoy.
