

Mitchell School District #55

Code: JEC
Adopted: 11/9/08

ADMISSIONS**

The Board is committed to providing an educational program for all students living in the district. The Board believes all students living in the district who have not completed 12 years of education should attend school regularly and be included in the available educational programs.

State law requires students to be age six on or before September 1 to enter first grade; and age five on or before September 1 to enter kindergarten.

All new students must register in the office. Registration requirements include proof of the student's birth date (a birth certificate, a hospital record or a baptismal record) and immunization records as required by law. Students admitted to any grade must show evidence of completing the prior school years.

Students enrolled in the district shall comply with Oregon laws related to age, residence, health and immunization.

Students located in the district shall not be excluded from admission solely because the student does not have a fixed place of residence or solely because the student is not under the supervision of a parent.

The district may deny regular school admission to a student who is expelled from another school district and who subsequently becomes a resident of the district or who applies for admission to the district as a nonresident student.

The district shall deny regular school admission to a student who is expelled from another school district for an offense that constitutes a violation of applicable state or federal weapons law and who subsequently becomes a resident of the district or who applies for admission to the district as a nonresident student.

Alternative educational services will not be provided to resident students expelled for violation of applicable state or federal weapons law.
